

**NOAA/VIIRS/BLENDED NDVI composite for the week ending on 22<sup>nd</sup> July 2018 over Agricultural regions of India**

- Agriculture vigour is moderate over few pockets of North eastern states, Northern part of Gangetic West Bengal and adjoining Bihar & Jharkhand, Uttarkhand & adjoining Uttar Pradesh, Jammu & Kashmir, Himachal Pradesh, Tamilnadu. Due to persistent cloud cover in remaining parts of Indian region the NDVI over crop cover could not be derived.

**Difference in NOAA/VIIRS/BLENDED NDVI between 15<sup>th</sup> July and 22<sup>nd</sup> July 2018**

- Due to persistent cloud cover in many parts of Indian region the NDVI over crop cover could not be derived. However agricultural vigour was good in many parts of Punjab, isolated pockets in Marathwada and adjoining Telanga, East Rajasthan, Uttar Pradesh, Himachal Pradesh and Northeastern states.
