

Farmers Awareness Programme

Sabour

24-03-2015

Pariwarik kheti aur Mausam Puravanuman

Farmers from 17 districts of Bihar came to attend the meeting. The meeting was arranged in hall of KVK Sabour . The Chief guest was Dr. R.K Sohane, Director Extension, Bihar Agricultural University, Sabour. 100 farmers were present. Other dignitaries were Dr. R.P. Sharma, Chairman, Department of Agronomy, Bihar Agricultural College, Sabour, Project Coordinator, KVK, Sabour and Sunil kumar, Nodal Officer, AMFU Sabour. There were three sessions after registration of farmers. First session was inaugural session. In Second session, 3 lectures were given on “Pariwarik kheti and Integrated Farming system”, “Contingent crop Planning in abrupt weather condition” and “Meteorological Observation and its relevance to farm management” by Dr. R. P. Sharma, Dr. S. K. Pathak and Sunil Kumar respectively.

After lunch third session was started with lecture of Dr. Sanjay Kumar on Climate change and Conservation Agriculture. After that questionnaires were distributed to farmers to get their feedback. Five farmers were invited to give their knowledge on weather and climate use in agriculture and risk management-ways and means to improve communication of weather forecast and advisory.

The programme ended with remarks and vote of thanks.
